

# Marian Lupașcu

## Education

Mathematics and  
Informatics class  
Onești – Bacău  
Sept 2012 – July 2016

Bachelor's degree in  
computer science  
Bucharest  
Oct 2016 – present

### "Dimitrie Cantemir" National College

I graduated from college with a high school average of 9.81. I participated in the training courses "Establishment and Operation of Exercise Companies" and in various volunteer activities and symposiums.

### UB, Facultatea de Matematică și Informatică

I finished the second year with 9.85 (top 1% of the year). I am currently doing the psychopedagogic module and I'm working on the bachelor's project, which involves AI and Computer Vision.

## Work experience

UB, Faculty of Mathematics  
and Computer Science  
Bucharest  
Oct 2017 – Jun 2018

### ADS (Algorithms and Data Structures), FLA (Formal Languages and Automata), and OOP (Object-Oriented Programming) tutor

My tutoring at the Faculty of Mathematics and Computer Science involves working with students of the first year, namely fixing their knowledge acquired at the course, seminar and laboratory.

## Trainings

ORACLE Academy  
Onești – Bacău  
1 Oct 2015 – 1 Jun 2016

Google  
Bucharest  
20 Nov 2016

Bitdefender  
Bucharest  
4 July 2016 – 15 Aug 2016
